the news?*

*La Casa de Los Leones
is a great place to live!*

La Casa de Los Leones is a senior, independent living apartment complex located in northwest Tucson, AZ. near Interstate 10 and downtown.

The management and staff strive to ensure their tenants are in a clean, secure and friendly environment. This includes providing casual monthly activities.

Utilities are included in the non-furnished units. There are 26 one-bedroom units of 505 square feet and 10 efficiency units of 415 square feet. Two units are wheelchair accessible. Kitchens have Vinyl floor covering with refrigerator, cabinets, electric stove/oven, and small pantry area. The large bathroom has Vinyl flooring with a shower-tub. Living room and bedroom are carpeted wall-to-wall. A laundry facility is available in the upper level.

The lower level has a community room with television, small kitchen, soda vending machine and is available for tenant activities. The property is desert landscaped with covered patios and chairs. There are non-covered parking spaces for tenant and visitors use.
